1. Nava Kerala Sahayam

Description:

Building on a legacy of people-centric governance, the Nava Kerala Sahayam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Matsya Thozhilalikal (Fishermen) and their families. The scheme focuses on extending a comprehensive safety net to Matsya Thozhilalikal (Fishermen), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 64% on loans.

2. Soubhagya Padhathi

Description:

The Soubhagya Padhathi has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Anga Parimithar (Differently Abled) and their families. This initiative seeks to create a robust support system for Anga Parimithar (Differently Abled), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹25000.

3. Sahaya Deepam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Sahaya Deepam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Cherukida Vyaparikal (Small Business Owners). This initiative seeks to create a robust support system for Cherukida Vyaparikal (Small Business Owners), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹25000.

5. Sahaya Kshemam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Sahaya Kshemam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Cherukida Vyaparikal (Small Business Owners) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Cherukida Vyaparikal (Small Business Owners), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

7. Unarvu Kshemam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Unarvu Kshemam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for BPL Kudumbam and their families. Our fundamental goal is to uplift BPL Kudumbam by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 68% on loans.

23. Nava Kerala Vikasana

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Nava Kerala Vikasana, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. We envision a future where every member of the Vidyarthikal (Students) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

24. Vidya Kshemam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Vidya Kshemam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. We envision a future where every member of the Karshakar (Farmers) community has access to the resources and opportunities necessary for holistic development and complete social integration. The scheme focuses on extending a comprehensive safety net to Karshakar (Farmers), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹50000.

25. Sahaya Kiranam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Sahaya Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Anga Parimithar (Differently Abled) and their families. The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

26. Shakti Suraksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Shakti Suraksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Vanithakal (Women) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Vanithakal (Women), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 43% on loans.

45. Arogya Arogyam

Description:

Building on a legacy of people-centric governance, the Arogya Arogyam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Vanithakal (Women) and their families. The scheme focuses on extending a comprehensive safety net to Vanithakal (Women), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free equipment/tools.

46. Muthachan Arogyam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Muthachan Arogyam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Cherukida Vyaparikal (Small Business Owners). Our fundamental goal is to uplift Cherukida Vyaparikal (Small Business Owners) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹25000.

47. Jyothi Veedu

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Jyothi Veedu aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Vanithakal (Women) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Vanithakal (Women), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

67. Nava Kerala Margam

Description:

Building on a legacy of people-centric governance, the Nava Kerala Margam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Anga Parimithar (Differently Abled), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹5000.

68. Yuvajana Vikasana

Description:

The Yuvajana Vikasana has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Anga Parimithar (Differently Abled) and their families. The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹10000.

71. Vidya Vikasana

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Vidya Vikasana, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. We envision a future where every member of the Matsya Thozhilalikal (Fishermen) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Matsya Thozhilalikal (Fishermen), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

89. Arogya Margam

Description:

The Arogya Margam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. We envision a future where every member of the BPL Kudumbam community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for BPL Kudumbam, enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹50000.

90. Jeevan Vikasana

Description:

The Jeevan Vikasana has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. The overarching vision is to cultivate a self-reliant and dignified life for BPL Kudumbam, creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to BPL Kudumbam, diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free equipment/tools.

91. Kaithangu Raksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Kaithangu Raksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Cherukida Vyaparikal (Small Business Owners) and their families. The primary objective is to provide substantial support to Cherukida Vyaparikal (Small Business Owners), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹50000.

92. Nava Kerala Margam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Nava Kerala Margam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Cherukida Vyaparikal (Small Business Owners). The scheme focuses on extending a comprehensive safety net to Cherukida Vyaparikal (Small Business Owners), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

111. Soubhagya Kshemam

Description:

Building on a legacy of people-centric governance, the Soubhagya Kshemam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. We envision a future where every member of the Matsya Thozhilalikal (Fishermen) community has access to the resources and opportunities necessary for holistic development and complete social integration. Our fundamental goal is to uplift Matsya Thozhilalikal (Fishermen) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹25000.

112. Ente Gramam Vikasana

Description:

Building on a legacy of people-centric governance, the Ente Gramam Vikasana is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Matsya Thozhilalikal (Fishermen). This initiative seeks to create a robust support system for Matsya Thozhilalikal (Fishermen), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 53% on loans.

113. Arogya Margam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Arogya Margam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 30% on loans.

133. Pratheeksha Deepam

Description:

The Pratheeksha Deepam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. The overarching vision is to cultivate a self-reliant and dignified life for Muthirna Pauranmaar (Senior Citizens), creating an environment where they can thrive and contribute meaningfully to the state's progress. Our fundamental goal is to uplift Muthirna Pauranmaar (Senior Citizens) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 25% on loans.

134. Arogya Suraksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Arogya Suraksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Yuvajanakal (Youth). The primary objective is to provide substantial support to Yuvajanakal (Youth), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹10000.

135. Yuvajana Kiranam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Yuvajana Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to Vidyarthikal (Students), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

137. Shakti Thozhil

Description:

The Shakti Thozhil has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. We envision a future where every member of the Anga Parimithar (Differently Abled) community has access to the resources and opportunities necessary for holistic development and complete social integration. The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

155. Sahaya Kiranam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Sahaya Kiranam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Vidyarthikal (Students). This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Skill development training.

156. Jyothi Suraksha

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Jyothi Suraksha, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. We envision a future where every member of the Cherukida Vyaparikal (Small Business Owners) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Cherukida Vyaparikal (Small Business Owners), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹10000.

157. Makkal Raksha

Description:

Building on a legacy of people-centric governance, the Makkal Raksha is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Vidyarthikal (Students) and their families. The scheme focuses on extending a comprehensive safety net to Vidyarthikal (Students), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

177. Snehapoorvam Raksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Snehapoorvam Raksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Yuvajanakal (Youth), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Yuvajanakal (Youth), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 47% on loans.

178. Muthachan Raksha

Description:

The Muthachan Raksha has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Cherukida Vyaparikal (Small Business Owners). This initiative seeks to create a robust support system for Cherukida Vyaparikal (Small Business Owners), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹5000.

179. Yuvajana Vikasana

Description:

Building on a legacy of people-centric governance, the Yuvajana Vikasana is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Vanithakal (Women), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vanithakal (Women), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹10000.

180. Ente Gramam Jyothi

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Ente Gramam Jyothi aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Muthirna Pauranmaar (Senior Citizens) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Muthirna Pauranmaar (Senior Citizens), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

199. Shakti Arogyam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Shakti Arogyam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for Matsya Thozhilalikal (Fishermen), creating an environment where they can thrive and contribute meaningfully to the state's progress. Our fundamental goal is to uplift Matsya Thozhilalikal (Fishermen) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.

200. Sahaya Suraksha

Description:

The Sahaya Suraksha has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Kudumbashree Angangal. This initiative seeks to create a robust support system for Kudumbashree Angangal, enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Kudumbashree Angangal. Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹5000.

201. Nirbhaya Vikasana

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Nirbhaya Vikasana aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for BPL Kudumbam and their families. Our fundamental goal is to uplift BPL Kudumbam by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

Description:

The Snehapoorvam Sahayam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Yuvajanakal (Youth). The primary objective is to provide substantial support to Yuvajanakal (Youth), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.

222. Karshaka Padhathi

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Karshaka Padhathi aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Anga Parimithar (Differently Abled). The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹50000.

223. Sahaya Margam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Sahaya Margam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Yuvajanakal (Youth) and their families. Our fundamental goal is to uplift Yuvajanakal (Youth) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹5000.

224. Snehapoorvam Arogyam

Description:

Building on a legacy of people-centric governance, the Snehapoorvam Arogyam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Cherukida Vyaparikal (Small Business Owners). The scheme focuses on extending a comprehensive safety net to Cherukida Vyaparikal (Small Business Owners), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

243. Muthachan Veedu

Description:

The Muthachan Veedu has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹5000.

244. Sahaya Thozhil

Description:

Building on a legacy of people-centric governance, the Sahaya Thozhil is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Muthirna Pauranmaar (Senior Citizens), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Muthirna Pauranmaar (Senior Citizens), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Skill development training.

245. Jeevan Margam

Description:

The Jeevan Margam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Muthirna Pauranmaar (Senior Citizens) and their families. The scheme focuses on extending a comprehensive safety net to Muthirna Pauranmaar (Senior Citizens), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

265. Shakti Margam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Shakti Margam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Pravasikal (NRIs), creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to Pravasikal (NRIs), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Pravasikal (NRIs). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.

266. Makkal Raksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Makkal Raksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Matsya Thozhilalikal (Fishermen) and their families. The primary objective is to provide substantial support to Matsya Thozhilalikal (Fishermen), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹5000.

268. Pratheeksha Kshemam

Description:

Building on a legacy of people-centric governance, the Pratheeksha Kshemam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. We envision a future where every member of the Anga Parimithar (Differently Abled) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Anga Parimithar (Differently Abled), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Sahaya Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Muthirna Pauranmaar (Senior Citizens) and their families. Our fundamental goal is to uplift Muthirna Pauranmaar (Senior Citizens) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹50000.

288. Samagra Margam

Description:

Building on a legacy of people-centric governance, the Samagra Margam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Matsya Thozhilalikal (Fishermen), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Matsya Thozhilalikal (Fishermen), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹10000.

289. Makkal Thozhil

Description:

Building on a legacy of people-centric governance, the Makkal Thozhil is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Karshakar (Farmers). This initiative seeks to create a robust support system for Karshakar (Farmers), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹10000.

Building on a legacy of people-centric governance, the Ente Gramam Thozhil is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Muthirna Pauranmaar (Senior Citizens), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Muthirna Pauranmaar (Senior Citizens), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free equipment/tools.

310. Karshaka Kiranam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Karshaka Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Yuvajanakal (Youth). This initiative seeks to create a robust support system for Yuvajanakal (Youth), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹50000.

311. Nirbhaya Veedu

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Nirbhaya Veedu aims to address the critical needs of our citizens, marking a significant step towards equitable growth. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Karshakar (Farmers) and their families. The primary objective is to provide substantial support to Karshakar (Farmers), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

312. Nava Kerala Padhathi

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Nava Kerala Padhathi aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹25000.

331. Soubhagya Thozhil

Description:

Building on a legacy of people-centric governance, the Soubhagya Thozhil is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Vanithakal (Women), creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to Vanithakal (Women), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free equipment/tools.

332. Nirbhaya Padhathi

Description:

The Nirbhaya Padhathi has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Pravasikal (NRIs). The primary objective is to provide substantial support to Pravasikal (NRIs), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Pravasikal (NRIs). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹25000.

333. Shakti Suraksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Shakti Suraksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Vidyarthikal (Students) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

As a cornerstone of the government's vision for a progressive Kerala, the Unarvu Margam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Vidyarthikal (Students) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 62% on loans.

354. Vidya Vikasana

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Vidya Vikasana, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for Cherukida Vyaparikal (Small Business Owners), creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to Cherukida Vyaparikal (Small Business Owners), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Cherukida Vyaparikal (Small Business Owners). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹10000.

355. Jyothi Veedu

Description:

Building on a legacy of people-centric governance, the Jyothi Veedu is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. We envision a future where every member of the BPL Kudumbam community has access to the resources and opportunities necessary for holistic development and complete social integration. Our fundamental goal is to uplift BPL Kudumbam by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

Building on a legacy of people-centric governance, the Jeevan Suraksha is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for Anga Parimithar (Differently Abled), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Anga Parimithar (Differently Abled), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Housing assistance of ₹50000.

376. Karshaka Vikasana

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Karshaka Vikasana aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for BPL Kudumbam. Our fundamental goal is to uplift BPL Kudumbam by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹10000.

377. Yuvajana Arogyam

Description:

The Yuvajana Arogyam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. The overarching vision is to cultivate a self-reliant and dignified life for Anga Parimithar (Differently Abled), creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to Anga Parimithar (Differently Abled), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹25000.

The Snehapoorvam Kshemam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Matsya Thozhilalikal (Fishermen) and their families. The primary objective is to provide substantial support to Matsya Thozhilalikal (Fishermen), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 66% on loans.

398. Jeevan Kiranam

Description:

Building on a legacy of people-centric governance, the Jeevan Kiranam is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Vanithakal (Women) and their families. This initiative seeks to create a robust support system for Vanithakal (Women), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹50000.

419. Samagra Veedu

Description:

Building on a legacy of people-centric governance, the Samagra Veedu is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. We envision a future where every member of the Vanithakal (Women) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Vanithakal (Women), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Skill development training.

420. Unarvu Padhathi

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Unarvu Padhathi aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Muthirna Pauranmaar (Senior Citizens), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Muthirna Pauranmaar (Senior Citizens), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Muthirna Pauranmaar (Senior Citizens). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.

This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Karshakar (Farmers) and their families. Our fundamental goal is to uplift Karshakar (Farmers) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹5000.

442. Snehapoorvam Raksha

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Snehapoorvam Raksha, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for BPL Kudumbam, creating an environment where they can thrive and contribute meaningfully to the state's progress. Our fundamental goal is to uplift BPL Kudumbam by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Makkal Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Vanithakal (Women). The scheme focuses on extending a comprehensive safety net to Vanithakal (Women), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

464. Jyothi Veedu

Description:

Building on a legacy of people-centric governance, the Jyothi Veedu is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Matsya Thozhilalikal (Fishermen) and their families. The primary objective is to provide substantial support to Matsya Thozhilalikal (Fishermen), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹10000.

465. Jyothi Nidhi

Description:

Building on a legacy of people-centric governance, the Jyothi Nidhi is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. The overarching vision is to cultivate a self-reliant and dignified life for BPL Kudumbam, creating an environment where they can thrive and contribute meaningfully to the state's progress. The primary objective is to provide substantial support to BPL Kudumbam, ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 33% on loans.

Description:

The Shakti Suraksha has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹50000.

486. Samagra Nidhi

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Samagra Nidhi aims to address the critical needs of our citizens, marking a significant step towards equitable growth. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. This initiative seeks to create a robust support system for Vidyarthikal (Students), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹50000.

487. Jyothi Arogyam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Jyothi Arogyam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for Vidyarthikal (Students), creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to Vidyarthikal (Students), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free equipment/tools.

507. Arogya Kiranam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Arogya Kiranam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Karshakar (Farmers). Our fundamental goal is to uplift Karshakar (Farmers) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

508. Snehapoorvam Veedu

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Snehapoorvam Veedu, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for BPL Kudumbam and their families. The scheme focuses on extending a comprehensive safety net to BPL Kudumbam, diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.

509. Snehapoorvam Vikasana

Description:

Building on a legacy of people-centric governance, the Snehapoorvam Vikasana is meticulously designed to empower the most deserving sections of our society, ensuring no one is left behind. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Kudumbashree Angangal and their families. The scheme focuses on extending a comprehensive safety net to Kudumbashree Angangal, diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Kudumbashree Angangal. Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

510. Vidya Thozhil

Description:

The Vidya Thozhil has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Yuvajanakal (Youth). This initiative seeks to create a robust support system for Yuvajanakal (Youth), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹25000.

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Kaithangu Raksha, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. Our long-term vision for this program is to establish a sustainable and comprehensive welfare model that can be scaled and adapted to meet future challenges for Vanithakal (Women). Our fundamental goal is to uplift Vanithakal (Women) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. A robust monitoring and evaluation framework, including regular social audits and beneficiary feedback mechanisms, will be put in place to ensure accountability and continuous improvement of the scheme. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Vanithakal (Women). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 45% on loans.

530. Ente Gramam Deepam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Ente Gramam Deepam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Yuvajanakal (Youth) community has access to the resources and opportunities necessary for holistic development and complete social integration. The scheme focuses on extending a comprehensive safety net to Yuvajanakal (Youth), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Educational scholarship up to ₹50000.

532. Samagra Raksha

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Samagra Raksha aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Karshakar (Farmers) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Karshakar (Farmers), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹25000.

Description:

The Shakti Kiranam has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. We envision a future where every member of the Matsya Thozhilalikal (Fishermen) community has access to the resources and opportunities necessary for holistic development and complete social integration. This initiative seeks to create a robust support system for Matsya Thozhilalikal (Fishermen), enabling them to overcome socio-economic challenges, achieve financial independence, and pursue self-reliance with confidence. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. It is envisioned that this initiative will lead to a significant and measurable improvement in the socio-economic indicators for thousands of families, directly contributing to the state's Human Development Index.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹25000.

552. Karshaka Veedu

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Karshaka Veedu, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. We envision a future where every member of the Pravasikal (NRIs) community has access to the resources and opportunities necessary for holistic development and complete social integration. The primary objective is to provide substantial support to Pravasikal (NRIs), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Pravasikal (NRIs). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹10000.

553. Karshaka Jyothi

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Karshaka Jyothi, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Yuvajanakal (Youth) and their families. The scheme focuses on extending a comprehensive safety net to Yuvajanakal (Youth), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Monthly pension of ₹25000.

573. Jyothi Deepam

Description:

As a cornerstone of the government's vision for a progressive Kerala, the Jyothi Deepam aims to address the critical needs of our citizens, marking a significant step towards equitable growth. We envision a future where every member of the Vidyarthikal (Students) community has access to the resources and opportunities necessary for holistic development and complete social integration. Our fundamental goal is to uplift Vidyarthikal (Students) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Grievance redressal will be a top priority, with a dedicated helpline and online portal established to address beneficiary concerns promptly and transparently. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Vidyarthikal (Students). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Subsidy of 44% on loans.

574. Soubhagya Nidhi

Description:

The Soubhagya Nidhi has been conceptualized as a direct response to the aspirations of the people, aiming to provide meaningful, timely, and substantial support where it is needed most. We envision a future where every member of the Anga Parimithar (Differently Abled) community has access to the resources and opportunities necessary for holistic development and complete social integration. Our fundamental goal is to uplift Anga Parimithar (Differently Abled) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. We will adopt a community-centric strategy, empowering local bodies and Kudumbashree units to act as key implementation partners, ensuring the program is deeply integrated within the community. This program will be implemented across all 14 districts in close collaboration with local self-government bodies, ensuring maximum reach, local adaptation, and effectiveness on the ground. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Anga Parimithar (Differently Abled). Annual family income should be below ₹300000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹50000.

575. Ente Gramam Margam

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Ente Gramam Margam, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Matsya Thozhilalikal (Fishermen) and their families. The scheme focuses on extending a comprehensive safety net to Matsya Thozhilalikal (Fishermen), diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. A key part of our strategy is to forge strong public-private partnerships, collaborating with industry experts and civil society organizations to enhance the scope and impact of the services provided. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all Matsya Thozhilalikal (Fishermen). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Insurance coverage of ₹10000.

595. Yuvajana Thozhil

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Yuvajana Thozhil, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for BPL Kudumbam, creating an environment where they can thrive and contribute meaningfully to the state's progress. The scheme focuses on extending a comprehensive safety net to BPL Kudumbam, diligently safeguarding their rights and interests while actively promoting their overall health and prosperity. The core strategy hinges on leveraging technology for efficient delivery, using a centralized digital platform to manage applications, verify eligibility, and disburse funds with minimal administrative overhead. A dedicated state-level task force will oversee the rollout, utilizing a digital dashboard for real-time monitoring to ensure transparency and streamline the application process for all beneficiaries. The progress of the scheme will be tracked using key performance indicators (KPIs), with quarterly reports being submitted to a high-level committee to assess impact and address any implementation gaps. The successful implementation of this scheme is expected to create a powerful positive ripple effect, fostering local economic development, strengthening our social fabric, and promoting community harmony.

Eligibility:

Open to all BPL Kudumbam. Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free medical check-ups.

596. Arogya Veedu

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Arogya Veedu, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. This scheme is driven by a vision of social justice and empowerment, seeking to dismantle barriers and build a more inclusive society for Yuvajanakal (Youth) and their families. The primary objective is to provide substantial support to Yuvajanakal (Youth), ensuring their social and economic security through a structured, transparent, and easily accessible framework of benefits. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Through an extensive network of government agencies, Akshaya Kendras, and community volunteers, we will ensure that the benefits of this scheme reach every eligible individual without delay or difficulty. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. The ultimate long-term impact of this scheme will be a more equitable, just, and prosperous Kerala, where every citizen has the agency and opportunity to realize their full potential and live a life of dignity.

Eligibility:

Open to all Yuvajanakal (Youth). Annual family income should be below ₹100000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Financial aid of ₹25000.

597. Arogya Jyothi

Description:

In our continuous effort to foster inclusive development, we are proud to launch the Arogya Jyothi, a landmark initiative designed to bring tangible public welfare benefits directly to the grassroots level. The overarching vision is to cultivate a self-reliant and dignified life for Karshakar (Farmers), creating an environment where they can thrive and contribute meaningfully to the state's progress. Our fundamental goal is to uplift Karshakar (Farmers) by delivering targeted, high-impact benefits that directly enhance their quality of life, provide new opportunities for growth, and ensure their well-being. Our strategy involves a multi-pronged approach, combining direct benefit transfers with crucial in-kind support, capacity-building workshops, and awareness campaigns to ensure holistic development. Implementation will be carried out in a phased manner, beginning with the most vulnerable regions, with dedicated camps and helpdesks established at the Panchayat level to assist applicants. Third-party evaluations will be conducted periodically to provide an independent assessment of the scheme's effectiveness, ensuring that the outcomes are aligned with the stated objectives. We are confident that this welfare measure will serve as a powerful catalyst for positive change, empowering individuals with skills and resources, and building a more resilient and self-sufficient community.

Eligibility:

Open to all Karshakar (Farmers). Annual family income should be below ₹200000. Must be a permanent resident of Kerala and possess a valid Aadhar card.

Benefits:

Free ration kits.
